

# OUR PLANS

Bringing it Together Virtually

## ROUND 3 VIRTUAL OPEN HOUSES

The City of Pasadena Planning & Community Development Department will hold virtual open houses to introduce and gather input on future development, design, and public realm standards on each of the Specific Plans starting this summer. Learn more and sign-up through [OurPasadena.org](https://OurPasadena.org).

## SPECIFIC PLAN VIRTUAL OPEN HOUSES

### SPECIFIC PLANS

East Colorado

Lincoln Avenue

Fair Oaks/ Orange Grove

North Lake

Links will become available starting this summer.

South Fair Oaks

Central District

East Pasadena

Lamanda Park

## SHARE YOUR THOUGHTS

During the virtual open house, the community will have an opportunity to navigate through a series of virtual stations, interactive maps, and submit comments online. The virtual open house will also include a short informational video which provides an overview of the plan's process, goals, and policies. Information received will help shape the proposed Specific Plan that is presented to the Planning Commission early next year.
