The webpage, to submit a speaker card, will open **1 HOUR** prior to the posted start time of the meeting.

If a public comment speaker wishes to speak on more than one agenda item, please indicate which items on the online form. Public comments are limited to 3 minutes each, and the Chair may limit this time if reasonable under the circumstances.

Alternatively, a member of the public may attend the meeting in-person and complete a physical speaker card, available at the meeting, and provide it to the Recording Secretary.

Virtual Meeting Participation: For virtual participants, you may attend by connecting to the meeting using a computer, other electronic device, or by telephone. Please review the agenda to identify the published start time for the meeting and connect to the meeting just prior to, or at the start of the meeting.

To participate in public comment for an item and to be recognized to speak, it is required that the speaker login to the meeting using the same name or telephone number used on the Speaker Card form. This will allow City staff to locate and promote the speaker into the meeting when it is time for their public comment. Participants' phone calls to the meeting will be recorded as part of the meeting. By staying on the line and making public comment during the meeting by phone, you are agreeing to have your phone call recorded. Following is the connectivity information for virtual participation:
