As part of the Round 3 Virtual Open House series, the City of Pasadena Planning & Community Development Department will hold a webinar on the East Colorado Specific Plan (ECSP). Community members are encouraged to attend a dialogue with the program team regarding draft development standards, questions, and comments about the ECSP area. A brief presentation will take place at the beginning.

Individuals unable to attend the scheduled webinar may visit ourpasadena.org/virtualopenhouse, explore a series of stations and interactive maps on the ECSP and submit comments online by completing a survey. If you have questions you may contact us via phone or email listed below.

The OurPasadena program was launched in 2018 with the objective of updating all of Pasadena's Specific Plans in order to implement the General Plan. A specific plan is a regulatory document that includes development standards (e.g. building heights and setbacks) that future projects must comply with.
